			90th percentile	53,000	40,088	93,088

Remarks:

(1) The above figures are derived from data of in-patients in accommodation in standard wards. All information should be used for reference only.

(2) The exact charges would be subject to change in accordance with patient’s condition, case complexity and individual doctor’s charge incurred.

(3) Doctor's fee includes anaesthetist's fee, surgeon's operation and ward round fee, etc.

(4) Hospital charges include admission service, accommodation, operation theatre room charges, use of equipment and associated materials, nursing procedures, investigation and examination fess, medication and injection fees, treatment and associated materials, meal and beverage, sundries, etc.

(5) The number of services of certain procedures were minimal that it may not reveal the clear picture of charging fees.
