

Precautions

1. Do not use any discolored or expired eye drop.
2. If you need to use more than one eye drop at the same time, wait at least 5 minutes before administering another one.
3. If you need to apply an eye ointment at the same time, instill the drop first and then wait at least 5 minutes before applying the ointment.
4. Certain eye drops may cause temporary blurred vision and sensitivity to light. Avoid driving or operating machinery until your vision is clear again.
5. For any eye drop which requires refrigeration, warm it before use by rotating it between your palms.
6. Store and discard your eye drops according to the manufacturer recommendation.

7. Avoid using cosmetics and wearing contact lenses in case of eye infection or inflammation.
8. Never share your eye drop with others to avoid cross-infection.
9. Steroid or antibiotic eye drops cannot be used long term and must be used as directed by your doctor.
10. Promptly inform your doctor if you experience any unusual discomfort (burning or irritation) or side effects.

This guidance is for reference only .

You should always follow your doctor's instructions.
Check with your doctor or pharmacist if you have any questions.

Do not share your medications with other people.

How to use Eye Drop

藥劑部
Pharmacy

Proper use of eye drop

- 2 Use a cotton wool soaked with warm water to clean your eyelid from inside to outside if you have any eye dirt.

- 3 Remove your contact lens (if any) before applying eye drops.

- 4 Tilt your head backward.

- 5 Gently pull down the lower eyelid to form an eye pocket, and then look upward.

- 6 Squeeze one drop into the eye pocket. Avoid touching your eye or eyelashes with the dropper tip to avoid contamination.

- 7 Keep your eyes closed. Gently press against the inner corner of your eye with your finger (over the tear duct) for about 1 minute.

- 8 Use a clean tissue to wipe out any excess.

- 9 After use, recap the eye drop immediately. Do not rinse the tip with water.

For single-use vial, discard the vial after use.
