注意事項 Precautions

- 如您正在服用任何藥物、草本藥或保健品，尤其下列藥物，請於手術前告知您的醫生。
- 醫生會根據藥物種類、您的身體狀況、出血風險及病史，評估是否需要暫停使用藥物。
- 切勿自行停藥或更改劑量，避免增加手術風險。
- 如有任何疑問，請向醫生或藥劑師查詢。
- If you are currently taking any medications or herbal medicines/supplements, especially those listed in this leaflet, please inform your doctor before undergoing surgery.
- Your doctor will assess whether discontinuation of medication is necessary based on the type of medication, your physical conditions, bleeding risk, and medical conditions.
- Do not stop taking your medications or change the dosage on your own, to avoid increasing surgical risks.
- If you have any questions, please consult your doctor or pharmacist.
